

Please send this blog on to all ASAP.

THANK YOU to all those who have written and told me you send a letter to the Supreme Court! I got confirmation from New Zealand, Scotland, England, Canada and a lot of other countries and many American states! This issue is important!

In Jeremiah 36:25 some good guys made "intercession" to the king. In Jer. 38:7 Ebed-Melech made intercession to the king to save Jeremiah who was stuck in a well and could not help himself. Jesus makes intercession for us (Romans 8; Heb. 7:25 etc). There are LOTS of times in the Bible where politicians did things (or did NOT do things) because "they feared the people." (Mt. 14:5; Acts 5:26 for examples) Often God uses people to turn the hearts of leaders and there is no such thing as TOO MANY in this case! :)

So-o-o-o-o, a reminder, I sent out a blog on Feb 1 asking folks to write the Supreme Court on behalf of my "celli" and friend and legal helper Alexander Matthews. I said whoever can cause the most letters to be written to the court (including each of your family members age 2 and up. :) will get a free (the first and only so far) autographed copy of my new book "What on Earth is About to Happen...for Heaven's Sake?"

I gave today- Feb 12 as the deadline to get letters sent. I'd like to extend that 2 days. PLEASE see how many letters you can get sent by midnight Friday night and let Hal@2peter3.com and Marianne psalm.37@live.com know how many you have caused to be sent. This is on the honor system. Hall will determine the "winner." (Actually I will be the winner if this helps Alex win his case and go home! He will be a great help to my case for years to come and can do better from home with a computer :) You could even have a letter typed, envelope stamped and ready to go and then go ask your friends or neighbors to sign. :)

Here is a sample letter:

To: Supreme Court
Clerk of the Court
Washington, DC 20543

Honorable Supreme Court Justices,

On February 21 you are scheduled to hear case #13-8033 of Alexander Matthews regarding violations of his 6th amendment rights. Many world-wide are watching his case and praying for you to have wisdom and to render justice in this matter. Thank you for your careful investigation.

Sincerely,

You can read all about Alex's case and the injustice on my-america.org. While you are "surfing" check www.clubcreation.org and tell Geena thanks for helping me while I'm stuck in this pit. She's another "Ebed-Melech" for me. Plus, she has some cool (and rare-unique!) interviews ya might want to tell others about. :) www.2peter3.com has updates on my case.

Having you write to intercede for Alex is all the birthday present I want. :) THANKS!
See ya at the finish line!
